

The Light at the End of the Tunnel in the Economy?

The 29th issue of the Strategy magazine, prepared with the support of Akfen Holding, has been published quarterly.

During the pandemic period, the Strategy magazine, which has been made easily accessible to everyone as an entirely digital and free publication that can be easily downloaded to mobile devices, covers important topics in its new issue.

Under the slogan "**Read Tomorrow Today**," the Strategy magazine, prepared in both English and Turkish, features the headline "**Is There Light at the End of the Tunnel in the Economy?**" addressing the discussions on the economy and solutions that have become a problem not only in Turkey but also worldwide.

In addition to economics, the new issue of the Strategy magazine also offers in-depth analysis and opinions on technological, social, and environmental issues. Important topics such as renewable energy, artificial intelligence, and the future of precious metals are addressed in this issue.

It is possible to access the new issue of the Strategy magazine for free through Akfen Holding's official website or via the link <https://bit.ly/AkfenStrategy29>
